

Communion of Saints

1. Review with the children the concept of the Communion of Saints that was taught in Chapter 8. Remind them that the Communion of Saints includes both those People of God who are living on Earth and those who now live with God in Heaven.
2. Ask the children to name for you members of their families, both living and dead, who are members of the Communion of Saints.
3. Distribute art paper and markers to the children. Tell them to draw a picture that represents the person in their family that they shared with you. Tell them that if the person was an ancestor and they have never seen a picture of them, they should draw how they imagine that the person looked.
4. When the children are finished, display their art on the wall behind the prayer center. Remind them that we are always united in prayer to the members of our families who are now with God in Heaven.
