

# Living as Disciples of Jesus

Follow the directions below.

Explore and reflect upon what Jesus teaches us about love.

Choose one of the following activities:

1

Cut out a paper heart. On the heart, write one way you can show your love for God, other people, and yourself. Hang the heart where it can serve as a reminder.

2

Make a banner of the Great Commandment. Hang the banner in a place where it can inspire you and others who see it.

3

Write a prayer asking the Holy Spirit to help you live the Great Commandment.
