

# Showing Your Love for Jesus

Saul was knocked to the ground on the way to Damascus.  
He heard a voice speak to him, "Saul, Saul why are you hurting me?"  
Saul was changed that day. Saul became known as Paul.  
Paul's life was different after he turned to Jesus.

In the shapes below, write or draw the changes you can make at home,  
at school, and with friends to show your love for Jesus.
