

Signing a Peacemaker Poster

Before class use a red marker to draw a large outline of a heart on a poster.

1. Title the poster “I am a Peacemaker.”
2. After completing the chapter review, reinforce the importance of asking for forgiveness and forgiving anyone who has hurt us.
3. Invite the children to show God that they want to be peacemakers by inviting them to come forward, one at a time, to sign their name inside the heart. Have them use the red marker to sign their names.
4. When everyone has finished, read aloud the poster title together.
