

The Story of Abraham

1. Invite the young people to learn more about the story of Abraham. Distribute a Bible to each student.
2. Write these two Scripture references on the board:
Genesis 21: 1-8 (Sarah bears a son)
Genesis 22: 1-19 (God tests Abraham)
3. Invite the young people to read the passages and then discuss with a partner: Why do we call Abraham our “father in faith?”
4. Conclude by saying that God challenged Abraham to have faith in him and to follow his commands. Because Abraham was willing to do what God asked, no matter how difficult, Abraham and his descendants were rewarded richly. We share in that inheritance today.
