

The Marks of the Church

1. Invite the students to take a piece of drawing paper and fold it into four sections.
2. Tell them to write one of the Marks of the Church at the top of each section of their paper. If they cannot recall what they are, tell them to check Chapter 8 in their books.
3. Ask them to draw a symbol for each of the four Marks of the Church in their sections. Tell them to further decorate the squares in any way they wish.
4. Invite the students to share their symbols with the class. Display them in the classroom if you can.
