

Sowing Seeds

In this chapter, you learned about God's gift of grace in the Parable of the Sower. Follow the instructions below to plant some seeds and watch them grow as a reminder of the Parable of the Sower and the role of grace in your life.

What you will need:

- A container (Anything from a paper cup to a pot for a houseplant will work.)
- Some potting soil
- Seeds

You could plant flowers, vegetables, or herbs. Look for seeds that grow quickly and easily. Follow the directions on the packet for caring for your seeds.
