

The Forgiving Father

The statements below about what happened in the Parable of the Forgiving Father are all false. Correct each one by writing a new sentence on the lines provided. Then with a partner act out the entire scene from this parable for the class.

1. A parable teaches about a mysterious event.

2. The younger son ran away from home.

3. The son wisely spent his money.

4. The son went back home to ask for more money.

5. The father refused to talk to his son.

6. The parable of the Forgiving Father teaches us to love one another.
