

The Gift of Conscience

God has given you the gift of your conscience—a way of using your reason, common sense, and what you have learned—to evaluate your choices and actions. Your conscience can help you remain faithful to the Law of God that is written on your heart.

Choose one of the following to discuss:

1

What are the greatest challenges and temptations young people your age face today?

2

What aspects of today's culture keep people from following God?

3

What are some ways you as a class can support and help one another live as disciples of Jesus in today's culture?
