

## Thanking God For One Another

Invite the children to open their books to page 6 and complete *A Few Facts About Me*.

Then ask the children to bring their books and gather around the prayer area in your room. (See pages 28 and 29 of the *Catechist Guide* about setting up a prayer area.)

Ask each child to share what wrote that they were good at. After each child shares, lead the group in praying together, “We thank you, God for \_\_\_\_\_ (the name of the child.)”

When all the children have finished sharing, make the Sign of the Cross prayerfully for the children. Ask them to imitate the words and gestures with you as some may not yet know this prayer.
