

## Creating an Acrostic

1. Have the students form small groups of three or four.
2. Direct each group to print the word “Penance” vertically on a sheet of paper.
3. Ask them to use each letter to create a word or phrase that relates to the Sacrament of Penance. For example, the letter P could be used for the word peace. It might also be used for the sentence We tell our sins to the priest.
4. Afterward, invite each group to share their acrostic with the class.
