

Interviewing Parish Marriage Ministry Couples

1. Contact the person in charge of Marriage Preparation in your parish.
2. Arrange for one of the couples who work with those preparing for Marriage to visit your class.
3. Ask your guests to share with the children how their ministry helps young couples prepare for celebrating the Sacrament of Matrimony. For example, hosting a couples' retreat; helping the engaged couple plan their ceremony; and so forth.
4. Allow time for the children to ask questions.
